Who's Your One?

Becoming a Gardener

1 Corinthians 3:5-9

Message notes:

5 What, after all, is Apollos? And what is Paul? Only servants, through whom you came to believe—as the Lord has assigned to each his task. 6 I planted the seed, Apollos watered it, but God made it grow. 7 So neither he who plants nor he who waters is anything, but only God, who makes things grow. 8 The man who plants and the man who waters have one purpose, and each will be rewarded according to his own labor. 9 For we are God's fellow workers; you are God's field, God's building.

God is already in ______ of your one. There is a ______ to people coming to faith. We have a calling to become ______. People need many _____ and reminders to come to faith.. It is just as important to _____ someone as it is to invest in them. God gets all the glory, but there is _____ in gardening for us. When you share, people care about your heart to be a ____ a blessing.
